

SAFE MANAGEMENT MEASURES

© Pentactics Pte Ltd

I. SAFE MANAGEMENT: GENERAL HYGIENE

Minimise the use of communal facilities. Eg. Toilets, changing rooms.

Increase in the cleaning and sanitizing of training venue.

Full wipe down of facility at the end of each day.

Hand hygiene (hand sanitizers) on entry and exit point, as well as pre, during and post training.

Change rooms, surfaces and objects in other relevant spaces should be cleaned between each session. I.e. door handles. (Dedicated cleaning time)

Ensure venue is well ventilated and aired at regular intervals.

Common areas must be periodically cleaned each day by law, and toilets must be provided at all times with adequate toilet paper, liquid soap or detergent, litter bins and clean towels or hand dryers.

II. SAFE MANAGEMENT: MANAGING A SUSPECTED COVID-19 CASE

- Should someone is unwell or suspected case, they will be asked to not take part and seek immediate medical attention. It applies to anyone on site of the competition venue.
- Any staff or visitors who is feeling unwell or showing symptoms of illness should report to club, leave the workplace and consult a doctor immediately, even if symptoms may appear mild. Clubs must track and record these cases as part of Safe Management Measures.
- For incapacitated or unconscious individuals, all must clear the area of other personnel and administer aid immediately. Call **995** for an emergency ambulance to ferry them to the nearest hospital.

III. SAFE MANAGEMENT: THINGS TO DO AT THE VENUE
